

If you've already signed a continuous proxy, it's not necessary to return this proxy card. If you have not signed a continuous proxy, for your convenience, we have one below. With our growing membership and the mobility of our members it becomes difficult to obtain the necessary number of shares in person or proxy in order to hold a legal annual meeting. The continuous proxy greatly reduces the annual task and expense of soliciting, sorting, and tabulation of the proxy.

You may return your proxy to any IHMVCU branch or mail to 2500 River Drive, Moline, IL 61265. Attn: ERM Proxies must be received by 5 p.m., Feb. 23, 2026.

### **IH Mississippi Valley Credit Union – Continuous Proxy**

The undersigned, being a member of IH Mississippi Valley Credit Union, a corporation organized under the Illinois Credit Union act, do here-by constitute and appoint its Board of Directors, who are qualified and acting directors at the time this proxy is used, to vote for the election of directors, all the shares now or hereafter owned or held by the undersigned, as the said directors or a majority of them see fit, or and to cast my vote as my proxy for the purpose of considering a statutory merger or consolidation under the Illinois revised statutes, at all annual or special meetings of the members of this credit union hereafter held and any adjournment thereof, from time to time and year to year, until and unless this proxy is cancelled by the member. The under-signed further authorizes the said proxies to designate a person or committee to cast my vote or votes in such manner and for such candidates as the said proxy shall determine, hereby ratifying whatever the said proxies may do in the premises. I hereby revoke any and all proxies heretofore made by me, and hereby expressly declare that the proxy herein given shall continue to remain in effect until revoked by me by a written notice by registered or certified mail, return receipt requested, addressed to the Secretary of the Credit Union address, or at such other address or location to which the offices of the credit union may be subsequently removed.
